

110th Anniversary

**GIULIA**

## PASSION AT THE CENTER OF EVERYTHING.

A profoundly renewed Alfa Romeo Giulia is the most distinctive and comfortable companion in your everyday life without ever losing its key characteristics. A timeless style that embodies the Italian automotive spirit and features the latest safety and infotainment systems, Giulia has everything you need to enjoy the short drives and enjoy the long journeys, while never abandoning the Alfa Romeo philosophy of crafting automobiles that deliver truly unique experiences and emotions.

IT'S TIME TO GET OUT...

...BECAUSE ART IS MADE TO MOVE.

AND PERFORMANCE MUST BE MOLDED,

SO THAT ITS BEAUTY CAN BE ENJOYED.

EVEN THOUGH SEEING IS BELIEVING,

EXPERIENCING IT IS ANOTHER STORY.

COMPOSED TO PERFORM.

The engines, all of which have a high compression ratio and are made entirely out of aluminium, guarantee unprecedented balance of power and environmental friendliness. A super sporty feeling for the 2.0 Petrol 200 hp and 280 hp with Rear-Wheel-Drive and 280 Hp with the Q4 AWD system, combined with ZF 8-spped automatic transmission.

Maximum efficiency and fantastic performance for the 2.2. Diesel 136 hp, 160 hp and 190 hp with Rear-Wheel-Drive, and 280 Hp with the Q4 AWD system, combined with ZF 8-spped automatic transmission.

# FOR A SYMPHONY OF MECHANICS AND EMOTIONS.

Alfa Romeo Giulia brings together design, power and innovation, all thanks to a series of patented technologies and the use of lightweight materials to deliver unique and unmistakable driving excitement. The Q2 or Q4 systems and the IBS brake-by-wire system are all processed in real time through the Chassis Domain Control.

## **ALFA™ LINK SUSPENSION**

The all aluminum Alfa™ Link Suspension System ensures excellent dynamic driving behavior and unique handling. The front suspension features a double-wishbone system with semi-virtual steering axis that keeps the wheels perfectly perpendicular to the road even on the most intense curves. The rear suspension, a Multilink system with four and a half links, guarantees the best of both worlds between lateral grip and comfort, on uneven surfaces.

## **ALFA™ ACTIVE SUSPENSION**

The Alfa™ Active Suspension dynamically adjusts the vehicle response according to the mode selected with the Alfa™ DNA selector : a softer shock absorbing setting for a more comfortable ride, or a more rigid setting for more precise sporty driving.

## **TRANSMISSION ZF**

The ZF 8-Speed automatic transmission, standard on every version, changes its personality based on the selected driving mode. Enjoy comfort and efficiency with Advanced efficiency, fluid and discreet in Natural and quick and sporty in Dynamic.

## **AERODYNAMICS**

Giulia can reach an aerodynamics coefficient up to 0,26. This is the result of endless hours of wind tunnel testing that allowed to reduce turbulence and enhance the dynamic efficiency of the vehicle.

BECAUSE DRIVING PLEASURE  
IS NEVER OPTIONAL.

#### **OPTIMAL WEIGHTS DISTRIBUTION**

The 50/50 optimal weights distribution, is reached thanks to the extensive use of ultralight materials, such as aluminium and carbon fibre, and exceptional engineering. These uncompromised choices deliver first-class handling and one of a kind driving experience.

#### **CARBON FIBRE DRIVESHAFT**

The carbon fibre driveshaft, taken directly from the world of competitive racing, is standard on all models and contributes to the overall lightweight design of the vehicle and the highly reactive acceleration from the motor.

#### **BEST-IN-CLASS STEERING**

The steering of Alfa Romeo Giulia is the most direct of the entire category and delivers unrivaled on-center quickness.

SO THERE'S NO MORE TAKING TURNS.

## 7" TFT CLUSTER

The 7" TFT cluster allows you to keep everything under control. The large screen lets you see important driving data, warnings and notifications from Giulia quickly and easily and without having to shift your eyes.

## 8.8" MULTI-TOUCH DISPLAY

The new 8.8" Multi-Touch display is intuitive and reactive. With a few simple touches, organise your apps and widgets. Enhanced in every way, the large touchscreen creates easy viewing for maps, contacts and car performances.

- INTERACTIVE WIDGETS
- VISUALIZE FULL-SCREEN MAPS
- MANAGE THE VEHICLE'S PERFORMANCE
- IMPROVED INTERFACE FOR MORE INTUITIVE EXPERIENCE

REORGANIZE OF WIDGET

ORGANIZE AND MOVE ICONS WITH A SIMPLE TOUCH

# HAVING EVERYTHING UNDER CONTROL,

Design and craftsmanship, combined with cutting edge technology, have brought to a redesigned and reorganised center console. Every component was designed and created to guarantee maximum efficiency and functionality.

## POWER

Choose the driving style that fits you and your driving conditions best with the Alfa™ DNA drive mood selector: Dynamic, Natural and Advanced efficiency.

### DYNAMIC

Sharper throttle response, enhanced steering feedback, more reactive braking and performance shift-mapping for even sportier driving experience and pleasure.

### NATURAL

For perfect balance in daily driving, combining efficiency and comfort.

### ADVANCED EFFICIENCY

Engineered to maximise fuel efficiency and reduce fuel emissions.

## COMMAND

Manage and move through all of the various applications and widgets. Scroll through and change performance features, climate and connected services without ever having to touch the screen.

## CONTROL

The redesigned center console features a leather-wrapped lever which delivers comfort and power as you change through the gears.

## RECHARGE

The new wireless charger is handy and always ready. No more cords and cables. Just place your smartphone in the charging area and you'll be at 100%.

DNA

PREMIUM ROTARY KNOB

NEW GEAR LEVEL

WIRELESS CHARGER

TO DOMINATE THE CURVES.

## CRAFTED TO ENGAGE THE SENSES.

Giulia's interior is exemplary of the Italian style and a synonym of excellence. Elegance and comfort come together to deliver uniqueness and personality. Wood surfaces, in walnut or oak, brushed aluminum inserts, the use of technical fabrics and leather finishes compose an interior that is as beautiful as it is comfortable.

## EXPERIENCE THE ESSENCE OF SOUND.

Giulia can come equipped with a Harman Kardon® Sound Theatre. With 14 speakers (including a subwoofer) powered by 900 watts, through a 12-channel amplifier, enjoy immersive sound experience for the perfect accompaniment to any journey.

## BEAUTY DRIVEN BY TECHNOLOGY.

In the age of technology, the new Alfa Romeo Giulia has mastered the art of finding the balance of hands-on driving passion and cutting edge automated driving systems by achieving the second level of autonomous driving. Giulia is now equipped with systems that intelligently monitor the vehicle's surroundings without ever taking away from the pleasure of driving.

Discover driving safety by Alfa Romeo through online video tutorials.

# AUTONOMOUS DRIVING LEVEL 2

**TRAFFIC JAM & HIGHWAY ASSIST**

Alfa Romeo Giulia will help you stay calm and concentrated while behind the wheel thanks to Traffic Jam & Highway Assist. Through a camera mounted on the rear bumper and multiple sensors, the system helps you stay in your lane, keep safe distance with the vehicle in front of you, on both city streets and the highway.

Giulia comes equipped with a state-of-the-art Traffic Sign Recognition and an intelligent speed advisor that alerts drivers to changes in the legal speed limit. If the Active Cruise Control is activated, the speed is automatically adjusted touching steering wheel controls.

**TRAFFIC SIGN RECOGNITION WITH INTELLIGENT SPEED CONTROL\***

\*Available by end of February 2020

**LANE KEEPING ASSIST**

Lane Keeping Assist alerts the driver if the vehicle is straying out of its lane and provides a corrective action to help automatically correct the vehicle's path and direct it back into the lane.

The Autonomous Emergency Brake notifies the driver with visual and audible alerts when it senses a potential frontal impact. If the driver doesn't respond, and the risk of a collision continues, the vehicle can automatically brake and bring the vehicle to a full stop.

**FORWARD COLLISION  
WARNING WITH  
AUTONOMOUS  
EMERGENCY BRAKE**

**ACTIVE BLIND SPOT ASSIST**

There are portions in the rear of the vehicle that are commonly known as a blind spot, which is when another vehicle is there it is temporarily invisible to the side mirrors. The Active Blind Spot Assist continuously monitors the rear blind zones on both sides of the vehicle, alerting you when you are attempting to move into a lane that is already occupied. In addition to the alert, the system also delivers a steering correction to help avoid collisions with vehicles hidden in your blind spot.

#### PARK ASSIST

The system uses a camera mounted on the rear bumper and front and rear sensors to notify you when obstacles are in your path. Audiovisual indicators and the dynamic grid on the MultiTouch display help you to avoid accidents during parking.

During long drives some times it is necessary to take a break. The Multi-Touch Display program monitors the movements of the vehicle and the drowsiness of the driver and warns him or her through alert signals and the symbol of a cup on the TFT display and encourages them to pullover and rest.

#### DRIVER ATTENTION ASSIST

#### AUTOMATIC HIGH BEAM

Outdoor light can change quickly, whether in a tunnel or because of sudden adverse weather or sunset. The Automatic High-Beam Headlamps automatically and quickly switch from high beams to low beams depending on lighting conditions.

The active cruise control allows you set your the cruising speed of your vehicle. It also automatically corrects itself when the speed changes or when the safe distance between two vehicles isn't respected.

#### ACTIVE CRUISE CONTROL

FOR A CONNECTION THAT NEVER RESTS.

**Alfa Connect**  
SERVICES

**MY ASSISTANT**

To receive alerts and assistance in the event of an accident or breakdown concerning your Alfa Romeo.

**MY REMOTE**

To find and control your Alfa Romeo at all times.

**MY CAR**

To monitor and take care of your Alfa Romeo.

**MY NAVIGATION**

To receive real-time information on traffic conditions, weather and speed cameras along your route.

**MY WI-FI**

Surf the Internet and connect multiple devices to your Alfa Romeo at the same time.

**MY THEFT ASSISTANCE**

To receive help and assistance in the event of theft and recovery of your Alfa Romeo.

**MY ALFA CONNECT**

Download the My Alfa Connect mobile app or go to the official Alfa Romeo website to take advantage of all the services.

Please note that the connectivity services of Customer Care, Vehicle Health Report, At-Home Digital Assistant, Drive Alerts, Vehicle Health Alert, In-Vehicle Notifications, Send & Go, POI Search, Live Weather/Live Traffic/Live Speedcams, Last Mile Navigation, Parking/Fuel Finder, Stolen Vehicle Assistance, Theft Alarm Notification will be activated starting approximately from November 2020. For more information regarding the timing and activation of the individual services mentioned above, please refer to the official Alfa Romeo website.

NOW, ONLY ONE CHOICE MATTERS. YOURS.

The CO<sub>2</sub> and fuel consumption values are determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153. The CO<sub>2</sub> and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data. The homologation values of CO<sub>2</sub> and fuel consumption may not reflect the actual values of CO<sub>2</sub> and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use and equipment of the vehicle. The indicated value of CO<sub>2</sub> and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with the subsequent configuration depending on equipment selected and/or size of tires selected. The indicated values of CO<sub>2</sub> and fuel consumption are not definitive and may evolve as a result of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA network. In any case, the official values of CO<sub>2</sub> and fuel consumption of the vehicle purchased by the customer will be provided with the documents accompanying the vehicle. In cases where the values of CO<sub>2</sub> and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each country.

# Where history and future meet

Lines that have changed the way we imagine design; cars and drivers who set the pace for competition on the track; technologies that have redefined the standards of innovation. Beauty, speed, robustness and steady production: this is Alfa Romeo's legacy. It's driving passion, it's evolution, it's our heart.

La Macchina del Tempo, Museo Storico Alfa Romeo will guide you through this extraordinary all-Italian story. Six floors of history binding past, present and future and complimenting the achievements of an extraordinary brand, its vehicles, its technology and style.

LA MACCHINA DEL TEMPO  
MUSEO STORICO ALFA ROMEO

# Heritage

PASSIONE SENZA TEMPO

---

## CERTIFICATE OF ORIGIN / THE HISTORY OF YOUR CAR

FCA Heritage offers you the opportunity to discover the history of your classic Alfa Romeo, starting from its chassis number. After accurate examination of the relevant documents at the company's historical archives, a certificate is issued stating the vehicle's year of manufacture and its original configuration (e.g. model specifications, engine serial number, exterior and interior features).

## CERTIFICATE OF AUTHENTICITY / CERTIFIED PURE PASSION

A panel of Alfa Romeo experts can verify the authenticity of your vehicle and issue an official certification, a numbered metal plaque and a certification book – so you can showcase the added value your classic Alfa Romeo deserves.

## RESTORATION / TIMELESS CHARM

FCA Heritage's dedicated team of professionals takes care of your classic vehicle restoring, replacing or reconstructing any of its parts, to bring your Alfa Romeo back to its original beauty.

For information on the Alfa Romeo Classiche program, please call the international toll - free number 00800 25320000 or visit [www.fcaheritage.com](http://www.fcaheritage.com) online.
